## **Interview with Julie Chen, Founder of Jalan Jalan**

I recently had the opportunity to interview Julie Chen about her blog and her family's travels. Here's what she had to say:

### **What inspired you to start Jalan Jalan?**

I started Jalan Jalan because I wanted to share my love of travel with other parents. I believe that travel is one of the best ways to learn about different cultures and to bond as a family. I wanted to show other parents that it is possible to travel with kids, even young ones.

### **What are some of your favorite family travel destinations?**

We have been fortunate to travel to many amazing places with our kids. Some of our favorite destinations include:

- Bali, Indonesia
- Tokyo, Japan
- Rome, Italy
- Paris, France
- Hawaii, USA

## **What are some tips for parents who want to travel with their kids?**

Here are a few tips for parents who want to travel with their kids:

- Start small. Don't try to do too much on your first trip. Choose a destination that is relatively easy to get to and that has plenty of family-friendly activities.
- Be flexible. Things don't always go according to plan when you're traveling with kids. Be prepared to change your itinerary if necessary.
- Pack light. You don't want to be lugging around a lot of heavy bags. Pack only the essentials and leave room for souvenirs.
- Have fun! Traveling with kids should be a fun and rewarding experience. Don't stress about the small stuff and just enjoy the journey.

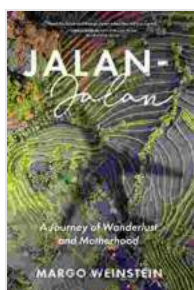

## **What are your plans for the future of Jalan Jalan?**

I hope to continue to inspire and help other parents who want to travel with their kids. I am also working on a book about family travel. I am excited to see what the future holds for Jalan Jalan!
