Early Life and Musical Influences

Born on May 22, 1967, in Burbank, California, Lee Deleo grew up in a musical family. His father, a musician himself, fostered his son's passion for music from a young age. Lee Deleo began playing guitar at the age of eight and was heavily influenced by classic rock bands such as Led Zeppelin, The Who, and Pink Floyd. He also drew inspiration from blues and jazz musicians like B.B. King and Miles Davis.

Formation of Stone Temple Pilots

In 1985, Lee Deleo joined forces with his brother Dean Deleo (guitar), Scott Weiland (vocals), and Eric Kretz (drums) to form Mighty Joe Young, which later became known as Stone Temple Pilots. The band's debut album, "Core," released in 1992, was an instant critical and commercial success, spawning hit singles such as "Wicked Garden" and "Sex Type Thing."

Guitar Style and Techniques

Lee Deleo is renowned for his distinctive guitar style, characterized by its heavy use of harmonics, octave doubling, and melodic soloing. His solos are often intricate and mesmerizing, blending technical prowess with emotional expressiveness. He is known for his inventive use of pedals and effects, creating a unique and atmospheric sound.

Songwriting Contributions

In addition to his guitar playing, Lee Deleo has also been a significant contributor to Stone Temple Pilots' songwriting. He co-wrote many of the band's hit songs, including "Big Empty," "Interstate Love Song," and "Vaseline." His songs often explore themes of love, loss, and redemption, with a raw and introspective edge.

Stage Presence and Live Performances

On stage, Lee Deleo is known for his captivating and enigmatic presence. His intense gaze, flowing hair, and animated body language add to the band's overall performance. He is a master of improvisation, often extending and embellishing his solos with improvised sections. Stone Temple Pilots' live shows are legendary, and Lee Deleo's guitar playing is a central part of their electrifying stage presence.
