The TOEFL iBT (Test of English as a Foreign Language Internet-Based Test) is a standardized English language proficiency test designed for non-native English speakers. It is widely accepted by universities and institutions around the world as evidence of English language ability for academic purposes.

One of the key components of the TOEFL iBT is the Vocabulary section, which tests your understanding and use of English vocabulary. A strong vocabulary is essential for achieving a high score on the TOEFL iBT, as it enables you to comprehend the texts and questions, and express yourself clearly and accurately.

To help you prepare for the TOEFL iBT Vocabulary section, we have compiled a comprehensive guide with a specially selected list of high-frequency TOEFL words for 2024. These words have been carefully chosen based on their frequency of appearance in TOEFL materials, and they cover a wide range of topics and academic disciplines.
